SUBJECT: ABBREVIATED TRANSITION PLAN FOR YOUTH ACTIVITIES

This information bulletin transmits the Youth Activities Portion of the State Five-Year Strategic Plan as required by the Workforce Investment Act (WIA). California submitted an abbreviated youth transition plan, as outlined in the Department of Labor (DOL) Field Memorandum 52-99, to ensure access to funds for summer youth opportunities. These advance WIA youth funds may be accessed as early as April 1, 2000, provided the DOL approves the State's abbreviated plan and the local area has received approval of its plan from the State.

To develop this abbreviated youth plan, a team of State, local, and federal representatives was formed. The State also incorporated information received from local areas as requested in the Job Training Partnership Act Information Bulletin B99-31, dated October 12, 1999.

The State has yet to determine each local area's formula allocation since DOL has not determined state formula allotments.

For questions regarding this information, please contact Jose Luis Marquez or Norma McKay from the California Office of Workforce Investment (COWI) at (916) 654-9995. Additional information regarding WIA implementation is available on the COWI Web site at <http://www.calwia.org>.
